The Story:

I booked a 7.00 pm appointment but was caught in traffic, so arrived at 7.20 (called agency to let them know i will be late and was told no problems). After a shower, no kissing, very light bj, excessive use of hands to make me climax. round 1 over in 15 mins with Sam still wearing her bra and knickers!! Did not let me touch her for round 2 as she said it's not her problem that i was late and that i have to leave because she's expecting a customer in 5 mins(although the agency knew i was gonna be late beforehand). on top of everything, rude with poor english!

The most expensive HR I ever had! AVOID
