The Premises:

Very clean, tidy and relaxed. This is my second visit and have both times been made to feel very comfortable and relaxed. Offered coffee etc.

The Lady:

Leah is naturally very attractive. Her description is very accurate and honest. She has a perfectly toned body, which she obviously works to maintain, but everything about her is perfectly natural including her friendly nature, which comes over as being very sincere and honest. Being in her presence actually felt like a friendship more than a business arrangement.

The Story:

Leah gave me a wonderful massage, then I returned the favour, this was a real treat as she really is in fine shape.

Finally I entered her from behind which finished in a brilliant climax for me. I showered as we chatted some more and I left feeling very fulfilled and refreshed.
