### The Story:

zoe is a very friendly young lady who likes her job and is very good at it,ive seen her many times before,she has no bad reports,we started by kissing passionately up against the wall whilst i was stripping her she is so responsive and loves to be touched everywhere,next we where on the bed having a body to body massage and rubbing our selves into each other,zoe is very passionate and loves to use her body to give ultimate pleasure,there was a lot of snogging and touching around,she gives a excellent bj which i had to tell her to slow down because i was gonna cum,she was licking my balls and g.spot,she really gets turned on to what shes doing,we then had lots more of kissing,licking,fingering.sucking.we finished of in the mish position even though i wanted to do it in different positions i dont think i could have held it for that long.seeing her on her back in front of the mirrors with all her blonde hair in her face and her tits bouncing around the bed and me screwing her whilst she was talking dirty and screaming is a sight which puts a big smile on my face.zoe is a very nice girl and gives a excellent top class service with plenty of enthuisasm,she is definately well worth a visit you will not be let down.....
