The Premises:

Quick response from agency, fast text with address and off to punt in 20 minutes. Easy to find, apartment block. Lots of pay n display parking. Good discrete area. Felt safe, even the Concierge was helpful and directed with to the correct apartment.

The Lady:

Emma's website photos are slightly flattering, she is a little heavier in the flesh, but nonetheless a real little beauty! Its her breasts that just did it for me. She has a real cute look...and feel about her.

The Story:

Met with a smile and a kiss. Always a good start. Offered a shower. Emma was dressed (just) in a skimpy bodice. But wow! Those beautiful breasts! Quick chat, offered a drink. I speak a little of her language (Russian), which helped, a bit. However her English is not great, so if you like a talk between sessions it may be difficult. Down to it, lots of deep kissing, very passionate. Explored each other and then OWO, she knows what to do! She didnt want CIM so opted to finish on those pert twin (natural) 34D peaks. We both showered together in prep for round 2. Raised to the challenge and had a cowboy finished off with her on all fours. I havent had a smile on my face that wide for quite some time. Check her out while you can, She wont be around too long, I intend to go back.
