The Premises:

The famous Blue Ice! Much improved since the refurbishment. Comfortable bed and mirrored walls. Discrete entrance in a commercial/industrial area off Constitution Hill near to the City centre.

The Lady:

Paige appears to be in her mid-thirties. Approx. 5'5", blonde hair with low lights, slim build and blue eyes.

The Story:

I was in the city centre for the sales but got distracted as I passed Blue Ice. Introduced to 3 girls and was delighted with my choice, Paige. As I waited a few minutes in the room for Paige to return a porn film was being shown on the monitor, not something to my taste, does anybody really need the extra stimulation while waiting for an encounter with a very attractive lady?

Paige soon entered looking tremendous in red bra and knickers and silver stilettoes. We started with my back being massaged, during which Paige's bright personality soon put me at ease. I soon turned over and Paige encouraged me to remove her bra to reveal a pair of delightful firm smallish breasts, with wonderful proud nipples. Her knickers soon followed the same way; and I was happy to see that she has kept a neatly trimmed but almost complete thatch.

Plenty of action followed including mutual masturbation, 2 way oral, and much, much more. All activities were covered.

With plenty of eye contact, smiles and chat Paige seemed to enjoy herself, I certainly did! Paige, money and time permitting I'd love to see you again soon hopefully for an hour.
