The Premises:

Spangles has been reported on previously, it is on a main road at the rear of a row of shops, so all very safe and discreet. The premises and are very clean.

The Lady:

Kerry is a blond lady in her early forties, well built and quite attractive. As in my other reports I am a mature punter seeking mature ladies and so Kerry fitted the bill very well.

The Story:

I was greeted by the receptionist who asked if I would like a thirty minute massage (?15) or 45 minutes (?20), I chose 45 minutes. When I phoned I was told that there were 2 ladies working, but I said I preferred mature ladies and so I was introduced to Kerry. She took me to the massage room told me to undress. She returned a couple of minutes later in bra and panties very nice. Lying face down she gave me a very good massage and after about 15 minutes she told me to turn over and told me the services on offer, I chose full personal. Although I never reveal details as this is always something between myself and the ladies I visit the following thirty minutes must rate in my top three. My only disappointment was everything was done on the massage table and I prefer to move onto a bed after the massage, otherwise Kerry five star. Another lady I will certainly visit again.
