The area was very safe and near Marylebone tube station, the ground floor apartment was very nice and clean and the room was nicely light with candles.

The Lady:

Lolita is a about 5"4' with blonde hair and beautiful eyes. She has sliky skin and the most perfect tits I hae ever had mu hands on.

The Story:

At the begining of the visit we spoke for a while just getting to know each other, which was very nice, a very interesting girl.

After that we started kissing which she was very good at and then we move onto the best sex session I have ever had in all sorts of positions. We had to stop at onew point as we were both knacked and needed a rest. After our rest we started again and the session end with us both being completely fucked in both sense of the word.

What a fantastic session witha an even more fantastic girl, can not wait to see her again.

Thanks Lolita
