The Premises:

Nice 4-star apart-hotel/serviced flats in South Kensington. Very discrete and close to the Gloucester Road tube. She lives on the south coast, but uses this flat for working in London during the week.

The Lady:

Fabulous bit breasted blonde. Maybe a little older and slightly "bigger-boned" than in the photos on Max's web-site, but absolutely gorgeous.

The Story:

Amy is fantastic. Those wonderful tits may not be real, but you'd be very hard pressed to tell. Most importantly she's a wonderful, warm and interesting girl who's great to spend time with as well as enjoy all her services (and she really does offer them all). Enjoyed a great, deep BBBJ before fucking those tits and blowing a week's worth of cum on her beautiful face. Then had a nice chat about life, punting, the girls at Maxes and then great doggy and anal before a great spurt up that fabulous ass. A real winner and will be back.
