The Lady:

Jade is just as her pictures on site stunning she is physically very fit and supple from her dancing, Her personality is fun and bubbly and we enjoyed a good laugh

The Story:

She arrived at the hotel on time looking fantastic with her wheelie bag full of outfits and toys we had a drink while I decided what to ask her to wear and first. I will not go in to detail as to what followed except she is happy to do all things on her web site and providing you treat her with respect she will give you 110% .I have been seeing ladies for many years and one thing that stood out about Jade is that although she is very attractive she does not have the attitude of I am gorgeous aren't you lucky I am with you and not wont to provide any service, It was one of the best 3 hours I have had
