The Premises:

Valentines is a nice place, very discreet after 5pm. The welcome was friendly and the establishment is well maintained.

The Lady:

Wow. Size 8, 32B dirty blonde in early 20's. Fantastic looking with the beautiful girl next door look.

The Story:

I was dissappointed to hear that the only girl free was russian, as I usually like a bit of conversation with a punt. So imagine my delight to find that Danielle was not only very well spoken, but also very intelligent. She was one of the most charming women I have ever met, in or out of an massage parlour and I enjoyed every second of my time with her.

She started by giving me a rub down and we chatted about all sorts of things. I have never laughed so much during a massage before.

Her oral technique is to die for and next time I might be tempted to just let rip in her mouth. But on this occasion I went on top and her long legs stretched over my head giving me a gorgeous tight feeling that made me almost cum imediately.

I managed to last a little while before asking her to go on top and she judged the pace just right to have me blow my load at just the right time.

Overall I have never enjoyed a punt so much and I left with biggest smile on my face. Danielle only works Wednesdays, but ask for her by name and you won't be disappointed.
