The Premises:

Nice basement flat, with good bathroom and shower and pleasant bedroom. She takes the time to make it feel nice, with candles and good lighting. Reasonably discrete location, though quiet so not a lot of people around.

The Lady:

Terrific, if a bit shorter than she looks on the web-site pics. Very long, luxuriant hair, terrific natural tits and tight ass. Very sweet face with a lovely smile.

The Story:

I don't normally go for the cuddly GFE thing, but Audrey was so fun and enthusiastic as well that I highly recommend her. Very much up for anything (except A levels). Started with her helping me undress and handing me a towel before showering, then some great OWO and a tit fuck before blowing my load on those fab boobs. She enjoyed rubbing it in and even licked a bit off her fingers. After a particularly good massage we were on to round two, with me licking her out while sliding her vibrator into her. Then great 69 with some good, firm cock sucking from her and then hot sex in mish and doggy before blowing my load inside her. Takes her time and makes you feel very special. Good chat and a nice sense of humour too!
