The Premises:

Terraced house in busy mixed residential and commercial area, next to a couple of businesses, including a motor garage. House a bit run down, especially from the outside, but clean and tidy enough. The bathroom is very large with a good shower.

The Lady:

Sam is reasonably tall, maybe 5' 6"-plus, with a bod built for sex - big natural boobs (supposedly DD, but I would have guessed larger) that are soft but firm and very fuckable, plus a nice round ass. She has reddish brown hair down past her shoulders.

The Story:

As reported previously, she is a fantastically filthy whore! Really enjoys everything to do with sex and will make even your dirtiest fantasies come true. On this occasion I didn't have much time, but was in the area and wanted to try her out after reading previous reports. Took advantage of the full OWO with come anywhere you like option (but plan to come back for anal in future which she really does seem to love). She gives spectacular deep throat and titi fuck, which are real favourites of mine.

We got right down to business with some fantastically dirty talk about what I wanted and where I was going to come. She kneeled in front of me and took my cock all the way to the back of her throat in one go. After a fair bit of this, with me bending over to massage her tits and occasionally rub my dick between them we settled on the bed, with me astride her chest, fucking her face and tits back and forth. She continued to work me into fever pitch with her filthy talk when my dick wasn't in her mouth. She has the most fuckable tits I've ever had the pleasure of. Eventually shot a huge load partly in her mouth, then over her face and tits. She used my still hard member to wipe it off and put it in her mouth to swallow down.

If you want a really dirty whore who will do anything and do it energetically, Sam is for you. No clock watching or rushing, whether you're paying per activity or for a timed session. As reported previously it's a fairly complex menu of choices, but does now at least include a simple 1/2 hour or 1 hour anything you want option.
