The Story:

I have spent time with Gina before so already knew what to expect and was definately not diappointed. She gave me a nice relaxing massage to begin with...so nice in fact I nearly dozed off (a compliment as it takes a damn good massage to make me want to doze), I then massaged her before giving her oral which seemed to satisfy her, I certainly enjoyed it. She gave me oral (covered), and is bloody good at it. We then had sex in the mish position and in a couple of slightly different positions for a while before I couldnt hold back anymore. Gina you are great.
