The Lady:

Four ladies on tonight. Janca, Robyn, Ebony and Faith. All on the website. All were very friendly and sexually charged.

The Story:

I have been going to Lady M's parties for over two years now. Everything is provided for you. Food, drink, showers, towels, bathrobes and condoms.

Moss and Lady M really make you feel welcome and the ladies are always classy and sexy. A wide range of tastes are catered for at these parties. There is a love swing as well.

I started with a session with the gorgeous (and Eastern European) Janca. She gave me a lovely covered blow job and then sex mish style. While I was shagging her, the gorgeous Faith was next to me being fucked. More about her later.

I had a quick shower and was walking back to the main room when I was corned by the crazy nymph Robyn. She said she wanted me so I let her have me! She gave me a really dirty porno style uncovered BJ. Janca then joined us for a lovely threesome. While I was with them the lovely Ebony was getting dressed after being fucked. More about her in a minute.

I had another quick shower and a little rest. Had a great chat with Moss and the other guys when I was paired up with Faith by Lady M.

Faith is simply gorgeous. I connected with her personality wise and we had a blast. We used the love swing for about 30 mins and I fucked her really hard. I think she liked it.

Another shower and rest and I went with Ebony for a final bash. Ebony has a superb body. She's

like the dusky lap dancer at Spearmint you really want to fuck but you can't even touch. She gave me a mind blowing uncovered BJ. I fucked her hard mish style while she screamed "Oh Lord". I liked that.

Two hours were over too quickly. I had some food and another shower (good job there's loads of clean towels). I got changed and as I left the girls with being fucked or licked out but still had the grace to say bye and wish me a safe journey.
