The Premises:

Apartment in huge modern block at Edgware Road end of Praed Street. (I saw Amanda of Touch of Class in this block). It has two entrances; there is a concierge in one lobby but I was buzzed in through the other one. Safe enough area. She shares with two other WGs.

The Lady:

Tall, slim Russian girl probably 25 or 26 or so; the photos on the site are pretty accurate. Her English, whilst far from perfect, is adequate for a conversation. Had a bristly Brazilian.

The Story:

Funny one this. I have no doubt that she is a genuinely nice girl who wants to please as other reporters have commented but there was a distinct element of time-wasting here which left me feeling rather short-changed.

After I was shown into the bedroom she disappeared to get me a glass of water, I then disrobed, had a shower, returned to the bedroom, disposed of the paperwork, she then disappeared to text the agency and seemed to be gone for an age. Later, when she had to leave the bedroom to go to the bathroom (presumably to spit) again it was an age before she returned. Whilst I haven't been one for a second pop for a long time I would have liked to have been made to feel that I wasn't overstaying my welcome or even be offered a massage.

At this point, and whilst she was out of the room yet again, I decided to cut my losses so I got dressed and prepared to leave. She showed me to the door in her high heels with just a towel round her waist, gave me a kiss and said she hoped to see me again. I will remember that sight for a long time! Being generous, I was in the building for no more than forty-five minutes.

It could well be that she prefers young, slim men, neither of which am I but she took my money so I think I was entitled to sixty minutes of her time.
