Sexy smooth body

The Story:

We started off with me kissing her all over her body which she was responsive to. She tasted great and with each lick she responded I arrived at Alex's place in Fulham and found it to be really clean and comfortable.

with a slow and sensual move of the hips. I got on my back and she blew me away...pun intended. During giving me amazing OWO she got on top of me so that we were able to do 69. The OWO was so good I felt as if I was going to blow my load so I flipped her over and did missionary, then doggy and then with her on top. I enquired about A levels which was 50 extra. It was just as great as the rest of the service. After a few minutes of this which she loved I blew my load doing her doggy style.

A definite repeat in my books
