The Premises:

As described in previous reports, 2-3 mins walk from baker street station in a basement flat.

The Lady:

New girl at the flat. More mid 20's then the 22 advertised on the website. From Manchester but down in london studying while at uni.

The Story:

New girl at Indian palace, no pics up on the website yet but the discription over the phone seemed tempting.

Started reasonably and comes over as very frendly and chatty but just went down hill from there.

Covered oral a few positions before finishing in missionary.

Relly showed a lack enthusiasm and is only really there for the money.

A poor find by Indian-palace.
