The Premises:

Close to Earls Court tube, anonymous enough, comfortable enough, no probs.

The Lady:

Same girl as website photos, a little heavier perhaps, but that does not detract from her sex appeal. Pretty face and engaging eyes.

The Story:

A curvy, sexy and intelligent Moscow girl (studying law back home) whose breasts and attitude are close to perfect. Her English is good enough for interesting / entertaining conversation, her manner is relaxed and friendly. As a side note, when she opened the door I immediately thought Rene Zellwegger (as in her Bridget Jones role).

You can kind of see the likeness from her agency photos, but in the flesh its more stiking.

My straight-forward needs were catered for excellently (and 3 times in 90 mins, which at my age, is something of an achievement for Emma, usually I've had enough after 2 shots in 60 mins). Her DFK whilst on the job is out of this world, and her general involvement and attentiveness throughout is fansastic.

I can't remember being better coaxed to a finale in mish position.

Emma seems to be a young lady at ease with herself, and I'm sure that any Gentlemen who treats her with friendly respect, will long remember this particular visit to Earls Court.
