### The Premises:

Well appointed clean and tidy.

### The Lady:

I thought looking at the photos that I would be a bit dissapointed with this punt, but she is as in the photos. Thin stunning looks lovely firm breasts

### The Story:

After using PN for some time, my new years resolution is to contribute. I have to start somewhere so here it is.

Greeted at the door and led into the bedroom, quite surprised that she does actually look like the photos. She went off to contact the agency and I undressed.

When she returned she removed her clothes while i watched. Good body as I have said. Got down to some good snogging and oral both ways. Had to stop her a few times as I was very excited.

We started off in mish, and progressed through cowgirl and doggy engin up in spoons.

Has a good hug at the end, showered and left.

I would say the this was very much a GFE experience as there appeared to be no clock watching and everything was quite natural.
