The Lady:

petite young girl looked terrific when she opened the door

The Story:

The girl might have looked great but by the time I got there I was really pissed off because of the attitude of the lady answering the phone.

Things started fine with Kate but she seemed to be miles away and not paying attention very much.

My expectations had now slipped right down the ladder and the whole thing was turning to crap.

Anyway I shagged her and left early as there was no point staying.

Not my lucky day.
