The Premises:

Bliss is your usual Manchester parlour, generally a clean parlour with an off-street safe entrance. 2 girls work most days

The Lady:

Katie is a very cute blonde 19 year old, she is rather petite but makes up for this with a slender figure (size 6?) and a stunning but fake DD bust. New to the business but you wouldnt know from her performance in the bedroom. I think she smokes, and its worth mentioning that she does not kiss, nor do OWO (I did not ask about As)

The Story:

No dissatisfaction here, I foregoed the massage, and started with reverse O, she is an absolute dream and tasted delicious. She returned with covered O :{. Then onto sex - with me on top, followed by cowgirl. Lovely tight pussy, and a great view of her petite frame and huge breasts. 5 star performance and I will certainly be back.

No eye contact and no kissing which would have made the experience a superstar performance.
