The Premises:

Good place, a little small, however, clean and, important, plenty of parking. Safe for both me and my car.

The Lady:

Gorgeous EE girl, great tits and even better attitude, willing to please and with a stunning body. could i ask for more.

The Story:

She gave me a 1st class service, i really believe that she's wasted in a massage parlour. Her oral skill are way above average so is her body. Unfortunately in only 30 minutes was difficult to fully appreciate her however my little mate still gets hard only thinking about her mouth. Sex as well was great, but her mouth is unforgettable. I shall return soon.
