### The Premises:

Nice place, easy to find. Just a few minutes from the tube. Nice flat, nothing special, nothing really poor either.

### The Lady:

Stunning. Tall, tight body, perfect tits and ass. Skin is very soft and she is just a flat out looker, IMHO.

### The Story:

I have tried to meet her once before around New Years but she was unavailable. I'm glad I tried again as it was a phenomenal experience. She is from Latvia, speaks better than average English, and loves house music. Started off with a shower and then received a relaxing massage. Light kissing, OWO (CIM was on offer but not taken). I then returned the favour. Went into Mish but I couldn't last long. Spent the next 20 minutes chatting about music, London, etc. Tried for round 2 but just couldn't muster it up as it had been a long day. A very good punt.
