The Premises:

Her apartment is stunning. The entrance is not terribly prepossessing, but inside it is spotlessly clean, trendy, uncluttered and comfortable. Offered a drink (eg glass of wine) on arrival.

The Lady:

First impressions, the photos really do not do Joesephine justice. She is stunningly attractive and statuesque with perfect skin and very sexy. She is well spoken and her voice has a relaxing honeyed quality. Augmented. Non smoker - hurrah!

The Story:

Much more in the courtesan mould than anything else. She was very attentive and built things up in an unhurried sensual way rather than ticking boxes mechanically. She thankfully doesn't smoke, french kissing is very much on the agenda and most excellent.

I will spare you most of the gory details - except to say it was the best BBJ I think I have ever had, and lasted on and off (merging into 69) the better part of 40mins - such bliss. She clearly enjoys sex and took unmistakeable pleasure my interference! Joesephine is takes hygiene seriously which personally I find reassuring - if creating and taking risks is what turns you on go elsewhere.

Overall I must say this was a simply ecstatic 90mins which was, unusually for me, not long enough. In the past, even if I have thought about going back, I have not previously walked out wishing I could have spent the whole evening with an escort - I did here. An experience to be savoured. I could not fault her.
