The Story:

Had been wanting to see Sedusa for a while, but she had to cancel an appointment before Christmas and I thought I was going to have to cancel this time. Fortunately Sedusa re-arranged things and the appointment was able to go ahead.

Was met at the door by Sedusa looking very demure in a skirt and top. Was offered a drink and then taken straight upstairs to the bedroom. Sedusa is a great kisser and soon had me hard. We stripped each other off and she lay me on the bed giving me OWO until I could hold back no longer and came in her mouth. We then lay on the bed kissing and caressing until I was ready for round two. Again this started with OWO and then on with the condom and into reverse cowgirl. The sight of Sedusa's perfect arse as my cock was inside her was too much and I came again. After more kissing and cuddling we just had time for one final go.

Sedusa is well worth a visit and is no clock watcher, unfortunately it was me that was short of time and had to bring my visit to an end.
