The Premises:

Clean, bright and discreet. I did feel safe.

The Lady:

Reasonably tall (about 5ft 6") slim and pretty Indian lady. Fair skinned with long black hair and a 34C bust. She has a northern accent. Her pics on the website are accurate.

The Story:

Rang up and made an appointment. I was seen straightaway when I arrived.

I like the way Indian Palace / Bollywood Beauties ask you ring them so they know when to expect you. This made me relax more during the service as I get nervous when I think other punters are at the door. This is my 2nd punt ever.

The maid was very friendly and offered me a choice of drinks. Shakira walked in and introduced herself. She let me know she was very new and it was her third time here. I felt a bit better as I was quite new and very nervous myself. Shakira was very friendly and after 10 minutes I lightened up considerably. She gave me a very relaxing massage to start off with.

We then moved on to doggy style and missionary. I was getting a bit carried away as I was turned on so much! I was trying to get her to talk dirty in Indian and she started blushing!

I exploded at the end and spent the rest of the time enjoying my massage and chatting away to Shakira. I was so tired after the session and the massage was very relaxing.

She is a very sweet girl and I would definitely come back and see her again.
