The Story:

Debbie sounds great fun from her website and this proved to be true. We exchanged a few emails and she met me, dressed in a short black dress which I later discovered was hiding some very nice undies. After a bit of chat, we moved up to the bedroom where she undressed me and then stripped down to her stockings and suspenders.

A bit of kissing and cuddling led to her wanking my cock prior to giving me a gentle and very pleasurable blow job. I also spent some time exploring her pussy. Eventually I was ready for sex so I got Debbie to lower herself onto my cock. A pleasant few minutes passed by until I felt that I needed to have Debbie under me so I lifted her over onto her back and pounded away at her.

Once again I felt the need for a rest so I took the opportunity to take her from behind standing up with her bending over ? this is apparently Debbie?s favourite position ? but by now it was clear that I was near to shooting my load. Debbie likes facials and I like giving them so it was off with the condom and Debbie knelt down before me sucking and wanking me until I came over her. She took it all like a trooper and then sucked my cock dry.

All in all, a fantastic time, and I was only sad that I wasn?t up to a second round. I certainly intend to visit Debbie again. She says that she loves pleasing men and I believe her when she says how important sex is to her and that she simply enjoys having as much sex as possible. I think I will be quite happy to provide a little of what she needs.
