As previous reports, The house is not much to look at from the outside, but inside something rather special and very different from the usual dungeon scene

The Lady:

Tal, Curvy, Confident, Posh, With a very intense stare and a bitchy laugh. Gorgeous cleavage and stockinged legs in very high shiny shoes. Very arousing

The Story:

I usually go to another Domme in somerset where I live, but unfortunately she has stopped working. So I have been looking for the right one to replace her for some months now. I think I have found my replacement in Misstresskali! In fact, I am glad to have found her as the chemistry between us is more powerfull and exiting than with my other misstress. She didnt let me look at het too much to start with, as i was getting too aroused. She Blindfolded me which made me even more hungry for her. She let me Lick her pussy the first time i saw her (i am writing after my third visit) She did not let me come. but due to my devotion and begging, she has allowed me that honour since.
