Recommended: Yes

Details of Service Provider:

Profile Name: Velvet party girls

Website: <http://www.velvetpussies.com>

Phone: 07716285565

The Premises:

The accommodation used for the party was clean and safe, and comprised of a downstairs lounge, with a leather suite and a few bean bags, beside a kitchen area with drinks and nibbles, and an upstairs with two bedrooms and a bathroom.

The Lady:

Chloe, 19, delicious petite blonde.

Lucy, 18, tanned brunette lapdancing sex kitten.

Sable, 21, tall brunette Amazonian Goddess and party hostess.

Melinda, 25, sultry and sensual Czech blonde beauty.

The Story:

Oh my God! Four absolute stunners!

Chloe ? I began the party with her sucking me and riding me in a chair, and ended the party with her sucking me and shagging in mish on a bed. I managed to get to fuck this very lovely girl four times and also enjoyed a very nice 69 with her. Delicious!

Lucy ? This girl is absolutely insatiable and goes like a train ? a high speed train! Early on I got to see her riding another partygoer and she bounced up and down like a pneumatic drill. She seemed to fuck non-stop for the full three hours.

Sable ? Truly beautiful, and incredibly accomodating. Sex with her is about as good as it gets, and as the best possible hostess she never seems to like to see a cock not being used. Seemed to have one or two guys in her at all times.

Melinda - She has gorgeous, slightly pouting lips, and a really sexy accent. I could imagine her as the love interest in a James Bond film ? Velvet Pussy Galore perhaps? She sucked me and fucked me in style.

The girls started by stripping off most of their underwear and performing a lesbian show, with the initial six partygoers watching from close proximity. Before long Sable suggested that they could do

with some help, and so we joined in, and from then on it was three hours of sucking, fucking, moaning, groaning and coming.

There were (I think) nine guys altogether, but because of those who only attended for an hour there were never more than six at any one time. With a ratio of six men to four girls there always a willing mouth or pussy, and there were several times during the party when I was approached by a girl who was looking for a fuck!

Four beautiful girls. Three hours of bliss. I could get used to this!
