The Premises:

I turned up at the lady's premises on time and found adequate car parking spaces for her apartment. The area was very nice indeed and the apartment was new and very clean. The area was very safe. It is off the main road and very easy to find.

The Lady:

The lady was in her late 30's, immaculately dressed and looked the part. Nicely spoken and very polite and courteous and made me feel very welcome and put me at ease. She had beautiful blue eyes.

The Story:

Had a chat, cup of tea. The sex was fantastic. Gave the best BJ I've ever had, beautiful body and perfect breasts. Nice shaven pussy, tasted so sweet. Had intercourse with protection, of course. When finished, had a shower. Must admit to having the best sex in a long time and will definitely be going back to see this lady on a regular basis. I never felt rushed and even stayed over the booked time.
