### The Premises:

Flat in Moortown, north Leeds. Easy to find and convenient parking. Discreet and comfortable, very welcoming atmosphere

### The Lady:

Beauty is in the eye of the beholder, but I think she is a beautiful lady. Adequately described in many other reports

### The Story:

I am 47 years old. I have had sex with many women and some very adventurous women. This was quite simply the best sex I have ever had. I had booked for 1 hour but after the first 2 minutes I extended this to 2 hours. Unfortunately, in the end, I had to leave after the hour owing to a work commitment but next time I would certainly book for longer.

The details and the mechanics of what Trisha does are well covered elsewhere, but what is hard to get across is the feeling that she leaves you with. Very, very special indeed. I would urge anybody who is led by physical preferences and who dismisses Trisha on those grounds to reconsider. She will redefine them!
