The Premises:

Debb?s basement boudoir in down-town Anerley, nuff said!

The Lady:

Dusky and slim Indian lady with rather solidly enhanced breasts. Reasonably friendly but I found her a little bit nervous, perhaps because it was her first shift at Debbies or is she new to this game? She is full-blooded Indian, but British born, thus her English and conversation is good.

The Story:

I started with a full body massage and then we moved on to sex in various positions. Not the best or most passionate sex I have had at Debbies, but still good in comparison to some of my experiences with other places over the years. Cindy was filling in for Arena, who is taking a break, but Cindy has disappeared from the rota so will she be back?
