### The Premises:

Fine. Everything clean and the receptionist and Tiffany couldn't have been friendlier from the first moment even though they were concerned that the other staff had not yet turned up. Was told straightaway I would need to wait and was made welcome with a cup of coffee and a nice chat with the receptionist (plus daytime tv to watch).

### The Lady:

Blonde, slight and pretty. Chatty and friendly. I was very pleased to realise I was obviously going to have a good time.

### The Story:

Tiffany couldn't do enough to please me. If anything, she could have worried less and not kept asking if anything she did felt good. She knows what she is doing and was quick to pick up on any hint of what I might like. Paid 10 pounds for owo and this was as effective as I've ever felt, exquisite to the point of almost intolerable, but not quite.

The sex was energetic and Tiffany was fully involved. A super time.
