The Story:

London Retreat has been well covered on this site, I have only ever had positive experiences.

Have been a regular at LR since 2000; from the sorely missed Jenny thru Chantelle, Lara, Penny and the present.

I found Danni to be excellent, the first real Sub/Dom connection I have had for quite a few years at LR. Exquisitely painful CBT and wonderful strap-on play. She is seriously under-reviewed on Punternet given her abilities. Danni was very sensual and, for me, a perfect mix of sexy, foxy lady and hard bitch. Lovely. Could spend all day with her. Heartily recommended, a lady at the top of her game.
