### The Premises:

Nina has an apartment very close to Newbury town centre - a very safe residential area of the town. Her place was very clean and very comfortable.

### The Lady:

Nina is a very attractive and pleasant lady whom I felt comfortable with straight away, following her very warm welcome with a kiss and a coffee.

### The Story:

My time with Nina was extremely pleasant and enjoyable, she is very skilled in her administrations. I thoroughly enjoyed our time together and have rarely experienced such attention !

There was no question of clock-watching and we finished our time together with a chat and a coffee. Being in her company was very pleasant and I would love to see her again; my only problem being usually unavailable on Saturdays which is the only day she is there.

Treat her with respect she is well worth it. I hope to see you again Nina, whenever possible. Take care. R. XX
