The Story:

I've never been compelled to submit an FR before in a few years of punting. Janetta was something else though. She is not the best looking girl at AGs, but she more than makes up for it in energy and enthusiasm.

I was greeted with a full on deep french kiss and led to the bedroom where I was subtly undressed and treated to a nice lap dance. On to some fantastic OWO & 69. Sex in every position imaginable (and I have quite an imagination). Finally came in doggy and collapsed for breather.

In no time at all she had me hard again and on with round 2 OWO and more sex. To be honest I was tiring, but she absolutely would not let me out until I came again ! This I obliged CIM.

As I said not the best looker but sweet nonetheless.

Another good punt with affairgirls.....probably the best agency in that price bracket
