The Premises:

Outside of the town centre on a road easy to park and safe. Once up the stairs, there is reception, where the girls are shown. shower in the room, clean, well presented.

The Lady:

Martina is 5'9 nice all over tan, medium length fine hair, great legs, and a inviting smile that got me. Bubbly personality with a great GFE. 38D natural, and a firm bum

The Story:

French kisses very well and really cheery, put me at ease, great at chatting whilst cuddling till oral without started! For a great GFE the girl needs to show she is enjoying the guy, and she did that just right, really turning me on. hour went past like two friends just meeting up.
