The Premises:

Neat, Clean Flat over laundrette - very discreet entrance through wooden gate at back. Area seemed nice and quiet despite being not far from town centre. As it was the first time I had been there Maggie gave me really helpful directions and was waiting to meet at the door.

The Lady:

Both ladies were voluptuous in the true sense of the word. Sarah a busty brunette and Maggie a buxom blonde were extremely attractive and welcoming. If you like the mature lady I can highly recommend these two stunners who wouldn't be out of place in your favourite top shelf magazine.

The Story:

Despite being a bit nervous I was soon at my ease and after slipping out of closed was entertained by the sexiest bit of girl on girl I've seen (movies included) and that was just the start - an unhurried massage followed which smoothly led to delicious oral and ball massage from Maggie while Sarah continued the sensuous massage. Then I was treated to Maggie's Juicy Cunt while Sarah rode me. These two certainly know how to make you feel a bit special. Both girls were adept at role play and little bit of mild domination from Maggie (although I bet she can be a lot sterner given the chance!) kept me in a constant state of extreme arousal. Then finally getting to have a grab of those gorgeous tits while I came buckets was the icing on the cake. Worth every Penny!!!!
