The Lady:

Suzie is approx 5'8" in her heels. Blonde hair and beautiful green eyes. Perfect thighs and a most striking , shaply bottom.

The Story:

If Suzie is a meal , then she has been created by a master chef. The chef has carefully blended the finer ingredients of life to create the perfect dish. Intelligence , humour , sexuality and beauty have been mixed in equal portions. Laced with some spice and a generous pinch of devilment , Suzie is a starter , main meal and dessert all in one. As in all fine cuisine , presentation is all important. "we eat with our eyes". The chef had garnished this creation in black stockings and suspenders , and in no time I simply had to taste her.Devine. She was alive to my requirements and after some beautiful attention from her we joined as one on the sofa. I'm fairly certain she climaxed - I certainly did - having perhaps the most intense orgasm for quite some time. My appetite fully satisfied I left. I will return , however , as second helpings are already on my mind.
