The Premises:

Very clean and modern place, with nice leather chairs in the reception area. Rooms are excellent (choice of 3) and all have showers and flat screen tv's. Everything you could need and doesn't feel at all like I thought a parlour would - feels more like home...

The Lady:

Wow! Tiffany's pics don't do her justice at all. She is a stunning young lady with an absolutely perfect figure - and what a smile. Very welcoming and friendly, Tiff has lovely shoulder length blonde hair and the most kissable body I've ever seen. And to follow her up the stairs when she's wearing only a thong is heaven itself.

The Story:

This is the fourth time I've visited Tiff and I would recommend her very highly, except I would love to keep her for myself! Tiffany lead me to the room where she got undressed and gave me a fantastic massage. IWe then lay kissing and cuddling on the bed for a while. Tiff then climbed on top of me for some fantastic 69 before we had the most amazing sex, finishing off with 69 and OWO2C (I am very honoured). Not once did I feel anything short of being the center of Tiff's attention, and I came away feeling on top of the world. Look after her guys, she's very special.
