The Premises:

Clean place up one level in a reasonably good block. Safe.

The Lady:

Slim, small breasts, good skin, about 5'3", shaven.

The Story:

Started off well, smiley lady, bit of FK but not very DFK. BBJ good technique. I didn't want CIM so after a while I asked for the condom and enjoyed a quick bout of MISH as well as DATY. She enjoyed teh DATY a lot and was noisy and responsive.

The only problem was that this was NOT THE GIRL IN THE PHOTO. Or if she was the photo had been substantially altered. And aftr the first half hour she became quiet and wanted to sleep.

Not the greatest punt.
