### The Premises:

This place must rank as the tidiest and well decorated establishment ever! It felt like standing at a hotel reception and booking a room and also the bedroom was superbly decorated and set out. The shower was en suite and it also had a flat screen tv with a tolerable porn film!

### The Lady:

Tiffany is around 5ft 6 and has a beautiful slim body (size 8 at a guess) aged maybe 19 or so with blonde hair. She is a very attractive girl with great manners and also some beautiful shaped breasts and a shaven pussy. She does have a few tattoos but they are small and tasteful.

### The Story:

After being extremely impressed with the location and decor of the establishment, I wondered if the service was as good and I have to say it wasn't. It was actually even better!!

Tiffany is very highly recommended indeed as she is happy to please and always checking you are enjoying yourself.

We enjoyed a variety of activities including some very good oral without and somehow I held back from exploding into her mouth. She obviously enjoys oral on her too as we enjoyed a long session of that which she made some very interesting sounds.

On to intercourse and some very good thrusting lead to a very satisfying climax indeed.

Overall a great experience, never hurried and more than worth the money so she was given a little extra as a thank you. A very lovely young lady who enjoys making her guests feel welcome.
