The Story:

I booked with Honey after seeing her profile on the web site, It was her first day and I am Glad that I booked because I dont think you will catch her on the off chance . Booked the all inclusive which is ?40.00 on Saturdays but opted for owo and reverse O both ?10.00 each . Honey gave me a short massage and then lay down beside me and played with my cock while I fondled and caressed her , nice and steady no rushing relaxed and a pleasant change from the norm .She then gave me a nice BJ which was very good but after a short time it was my turn and I found out why they call her Honey . And yes I lapped it up , and Honey seemed to be enjoying it as much as I was which again is a refreshing change. afterwards she massaged my cock until it was ready for action and on with the overcoat, Sex was Honey lying on her back with me on my Knees looking down at her georgous body probably with the smile of the cat that got the cream on my face....

now the only question is am I doing the right thing posting this or should I keep this information to myself ...

oh what the eh ... enjoy
