The Premises:

Secure place in centre of Newbury. Parking opposite the place. Through the entrance, got buzzed in, up the stairs and away we go!!

The Lady:

I was shown into the private room and Charlie came in a few moments later. Pictures on the website don't show her face.... its a pity as she has a gorgeous, very pretty face. good body too as described before.

The Story:

We both got naked - I lay face down on the bed. Charlie straddled me and started massaging my back.
she got lower, pressed her legs between my legs, so she could gently caress my balls from behind..
she then lay on top of me and gave me a tit massage.... very nice!
I couldn't wait to turn over!
Once on my back, we went into a 69 (OWO is ?20 extra - worth it though). then she straddled my face so i could look up her body and play with her tits.
On with the mac and she lowered herself onto my cock.
i didn't want to come yet (I had said to her i would love her to OWO to completion).
went into doggy style but i kinda got carried away! I stopped fucking her with the intention of pulling out and having the OWO but that familiar feeling was on its way so i carried on fucking her from behind and came inside her....
She cleaned me up, and we chatted as we got dressed.

All in all a great first visit to the place - and definitely one I will come back to again
