### The Premises:

Club Ambiance is nice tidy place with a discreet entrance via a rear yard. Easy parking in next door car park. I Only visit during the daytime so do not know what the area is like for safety at night.

### The Lady:

Attractive with short curly blonde hair. Around 5ft 3 tall with nice firm breasts. Website says late teens but from her mature attitude I would go for early twenties.

### The Story:

An enjoyable hour spent with a friendly, chatty, attentive girl. Nice massage followed by covered oral. Armani is quite willing to kiss, starts off with lips a bit closed but kisses more enthusiastically as she warms up. Sex was nice and not rushed. Finished the action a bit early (my fault) but she didn't try to rush me out the room, she offered more massage and chat to take us up to the hour.
