The Premises:

Nice area. Clean place. Discreet basement flat. Nothing dodgy about it. Very safe.

The Lady:

I would say she is as described on the website. Lovely petite shapely figure. Very sweet girl, who aims to please.

The Story:

I really enjoyed my time with her. Was pretty stressed out at the time and needed some relief! She was very welcoming and instantly put me at ease. Started off with a massage (nothing special) followed by oral, then sex. Then repeated for a second time, trying different positions. Got the impression she loves to give oral- and she was good at it. Aimed to please, although no kissing was allowed and hardly any eye contact. Despite this, it was still a very good punt.
