The Story:

Wanted to meet Sam for sometime as I always felt she would make me feel comfortable on my first punt. I was not mistaken, she took excellent care of me and I didn't want to leave her when my time was up, but I had to be somewhere else.

The woman is a real gem, she went out of her to make me feel relaxed and didn't hurry me at any time.

After a lap dance we moved to the bedroom where we enjoyed each other orally for some time before she sucked me dry with OWO.

I thought that would be it for me, but after a rest we got back to it and had plenty of covered intercourse before I came again.

I most certainly will be seeing her again as she gives a great GFE.
