### The Premises:

A very nice flat in a quiet part of Hastings, near to a main road and easy to find. The area has good parking facilities, and the entrance to her flat was quite discrete. Karry's flat is very clean and comfortable, and very relaxing.

### The Lady:

I would describe Karry as a very attractive and sexy English Rose, with a hit of a mischievous side. She has stunning brown curly hair, and an amazing porn-star like figure. The images on her website do not do her justice.

### The Story:

After being met at the door by Karry (who I have visited a couple of times in the past), I couldn't take my eyes off of her. She was dressed in a very revealing two piece outfit, which showed her sexy body to its max (leaving little to the imagination as to what was to come!). After a very lingering kiss and cuddle, we sat down and chatted over a drink, before going up to her bedroom. What happened next was mind-blowing - a lot of passionate kissing and caressing, followed by lots of foreplay and sex in several positions (Karry enjoys being on top, and being taken from behind!). Before leaving, Karry offered me another drink (which I accepted), and we kissed and cuddled some more before she saw me out. A very sexy and enjoyable time!!
