The Story:

guys (and girls) have you ever made a girl cum so hard she nearly squirts. WOW. I used 2 fingers on her and quickly found her g spot. after about 5 mins she asked me to stop but instead i increased the pressure and pace. what happened next was amazing. I have never seen a girl cum so hard and for so long before. after she calmed down we went through several bouts of OWO then mish doggy spoons cowgirl and reverse cowgirl until CIM. other than the sex Veronica is a lovely warm girl with quite good english. a good experience all round.
