The Lady:

This lady is as her pictures, early 20?s, and is petite, apart from her well appointed breasts and well curved arse.

The Story:

She was anxious to find out what I would like and sorted the money, and I stripped off while she took it to the maid.

I delined the shower and massage as I wanted as much sex time as possible with such a horney blond, so she obliged in removing her sexy lingerie and after I had enjoyed her full breasts she moved to kneeling on the bed, perfect as I love kissing between girls buttocks. I could kiss her pussy too and she enjoyed this. Then she put a condom on me and made a nice fuss of him before giving him a very good BJ with a very horny look on her face. The rest was 69 and some doggie then more 69 till I came. She looked flushed afterwards so I know her pleasure was genuine and after the clean up we stood caressing and her pussy was very moist. She enquired if I wanted to pay more to stay longer, but had to decline as funds are hard to release.

I got the impression that some lunchtime punters had not bothered with Bonnie?s pleasure or feelings so I hope they are sent away if they try to see her again.

Hope Bonnie stays to replace Lucy who is taking a break, but please could Lucy be back soon, and mean while get in touch with her regulars by hotmail?

I will be back but must also visit the boss Debbie as she is so nice on the phone.
